(2) The work of forming Manampadi Kolluru Eligi road (V.R.77) has been specifically included in the recast five year plan of P.W.R.D. But it has not been sanctioned for execution by Government. The Panchayat ought not have taken up the formation of the road within the Panchayat limit without consultin this Department while it has been specifically included in the five year programme. So it is not justifiable to ask the Distric Board to refund the amount spent by the Panchayat.
